SERVICE PLANS

Business Computers Plus offers different service plans to fit your Company's computer maintenance.

<u>Service Plan</u>	<u>Hours</u>	<u>Rate</u>	<u>Onsite</u>
None	1	\$75 / hr	\$35
Red	10	\$75 / hr	N/C
White	20	\$70 / hr	N/C
Blue	50	\$65 / hr	N/C
Gold	100	\$60 / hr	N/C

Let us take care of your network needs. Are you starting a new network or upgrading an existing one? We can build servers and workstations, install routers and hubs, set-up network printers, dial-up accounts, users and groups, security for servers, install network cable, etc. Our technicians are experienced in Novell and Windows networks. We are also capable of trouble shooting cable issues, routing issues for ISP, as well as drive mapping issues.
